The Council of the Regulatory Authority for Electronic Communications and Postal Services, at its 40th session of the fourth convocation held on August 29, 2024, adopts this

Rulebook on the amount and method of payment of fees for the provision of services within the competence of the Regulatory Authority for Electronic Communications and Postal Services

"Official Gazette of the Republic of Serbia", Nos. 92 of November 22, 2024, 95 of November 29, 2024, 77 of September 5, 2025 – other regulations.

PUBLISHER'S NOTE: The Rulebook on the Harmonization of Fees for the Provision of Services within the Competence of the Regulatory Authority for Electronic Communications and Postal Services ("Official Gazette of the Republic of Serbia", No. 77/2025), which entered into force on the eighth day from the date of its publication in the "Official Gazette of the Republic of Serbia", i.e. September 13, 2025, and shall apply from January 1, 2026, harmonizes the fees prescribed by the Rulebook on the Amount and Method of Payment of Fees for the Provision of Services within the Competence of the Regulatory Authority for Electronic Communications and Postal Services in the manner prescribed by Article 7 of the Rulebook on the Methodology and Method of Determining the Costs of Public Service Provision.

The text of the Rulebook, which does not include the harmonized fee amounts from the Rulebook - 77/2025-39, which apply until January 1, 2026, can be viewed on the right in the "Versions of the consolidated text" section.

1. Introductory provisions

Article 1.

This Rulebook establishes the amount and method of payment of fees for the provision of services within the competence of the Regulatory Authority for Electronic Communications and Postal Services (hereinafter: the Regulator), for the procedure or action carried out for the issuance and extension of a license for the use of numbering and an individual license for the use of the radio frequency spectrum, registration of radio stations, assessment of compliance, as well as for the performance of a technical inspection of radio stations for which an individual license for the use of the radio frequency spectrum has been issued.

The fee referred to in paragraph 1 of this Article means the cost incurred by the Regulator in providing the services referred to in the previous paragraph, which have the character of public services in the sense of the regulations governing the budget system.

2. Issuance and extension of a license to use numbering

Article 2.

The fee for issuing a license to use numbering under the license is 27,786.00* dinars.

For the extension of the license to use numbering, an amount of 50% of the amount specified in paragraph 1 of this article shall be paid, i.e. 13,893.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

3. Issuance and extension of an individual license for the use of radio frequency spectrum

Article 3.

The fee for issuing an individual license for the use of the radio frequency spectrum, which is issued based on a request, for a radio station in a specific radiocommunication service is:

Type of radiocommunication service	Type of radio station		Fee in dinars
Broadcasting	1)	Television broadcasting station	41,680.00*
	2)	Radio broadcasting station	41,680.00*
Mobile	3)	Radio station in a communication network, other than a public communication network, per radio frequency, for:	

		a) base radio station	3,473.00*
		б) fixed radio station	2,084.00*
		в) mobile and handheld radio station	1,389.00*
	4)	Base radio station in a public communication network	34,733.00*
	5)	Aircraft radio stations operating in radio frequency bands: SHF, UHF, VHF, HF и MF	13,893.00*
	6)	Aircraft radio stations operating only in the VHF radio frequency band	2,779.00*
	7)	Radio stations on ships and other vessels that operate in radio frequency bands: SHF, UHF, VHF, HF и MF	13,893.00*
	8)	Radio stations on ships and other vessels that operate only in the UHF and VHF radio frequency bands	2,779.00*
	9)	Coast radio station	13,893.00*
	10)	Locomotive radio station	2,779.00*
	11)	Aircraft radio station	13,893.00*
Fixed	12)	Radio station in a radio relay system, by transmitting radio frequency	22,229.00*
	13)	Base radio station in a public communication network	34,733.00*
	14)	Radio station in a communication network, other than a public communication network, per radio frequency, for:	
		a) Base radio station	3,473.00*
		б) Fixed radio station	2,084.00*
Satellite	15)	a) Terrestrial radio station	69,466.00*
		б) Terrestrial portable radio station (SNG and other)	41,680.00*
		в) Satellite service terminals	13,893.00*

		r) CGC (Complementary Ground Component) mobile satellite service radio station	625,195.00*
Radio navigation	16)	Radio navigation station	13,893.00*
Radiodetermination	17)	Radar	13,893.00*
Radio amateur	18)	Amateur radio station	1,389.00*
PMSE	19)	SAP/SAB (wireless cameras, headphones, microphones, portable video links and other services used in program production and for transmitting audio and video signals from various events - sports, music and other)	6,946.00*

The fee for issuing an individual license for the use of the radio frequency spectrum for a receiving radio station for a simplex radio relay connection shall not be charged.

Article 4.

For a temporary license for the use of radio frequency spectrum, 40% of the amount specified in Article 3 of this Rulebook shall be paid.

For the issuance of a duplicate of an individual license for the use of radio frequency spectrum, 10% of the amount specified in Article 3 of this Rulebook shall be paid.

For the correction of incorrectly submitted data from the application for the issuance of an individual license for the use of radio frequency spectrum in that license, made by the applicant, 50% of the amount specified in Article 3 of this Rulebook shall be paid.

In the event of a change in the status of the holder of an individual radio frequency spectrum use license, or a change in the data on the holder of an individual radio frequency spectrum use license, relating to a change in name, business name, registered office or identification mark, for an individual radio frequency spectrum use license issued upon a request submitted to the Regulator in writing, the individual license holder shall pay 50% of the amount set out in Article 3 of this Rulebook, and for an individual license issued upon a request submitted to the Regulator in electronic form, the individual license holder shall pay 10% of the amount set out in Article 3 of this Rulebook.

For the renewal of an individual license for the use of radio frequency spectrum, the fee set out in Article 3 of this Rulebook shall be paid.

Article 5.

The fee for issuing an individual license for the use of the radio frequency spectrum for radio stations, regardless of the type of radio communication service, used by emergency medical services and other health institutions, hail protection, fire brigades, mountain rescue services and humanitarian organizations, shall be 138.00* dinars per radio station,

when it comes to radio frequencies within the radio frequency band that is not designated for special purposes by the allocation plan.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 6.

For the purchase of tender documentation in the public bidding procedure for the issuance of an individual license for the use of the radio frequency spectrum, an amount of 0.01% of the minimum (initial) amount of the total fee for the right to use the radio frequency spectrum, set in the act prescribing the minimum requirements for the issuance of individual licenses based on the conducted public tender procedure, shall be paid, and not less than 347,330.00* dinars.

For the processing of the request of the applicant in the public tender procedure for the issuance of an individual license for the use of the radio frequency spectrum, an amount of 34,733.00* dinars shall be paid.

For participation in the public bidding procedure for the issuance of an individual license for the use of the radio frequency spectrum based on the conducted public bidding procedure, the amount of 0.03% of the minimum (initial) amount of the total fee for the right to use the radio frequency spectrum, set in the act prescribing the minimum requirements for the issuance of individual licenses based on the conducted public bidding procedure, shall be paid, and not less than 1,049,000.00* dinars.

For the issuance of an individual license for the use of the radio frequency spectrum based on the conducted public tender procedure, the amount of 89,205.00* dinars shall be paid.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 7.

The fee for issuing a radio amateur license shall be charged in the amount of the costs for issuing an individual license for the use of the radio frequency spectrum for a personal or club amateur radio station.

The fee for issuing a CEPT radio amateur license shall be charged in the amount of 1,389.00* dinars.

The fee for issuing a HAREC certificate shall be charged in the amount of 1,389.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 8.

Fees for registering radio stations in the appropriate radio frequency band are given in the following table:

Type of radio station	Fee in dinars
-----------------------	---------------

Fee for registering a radio station in a public mobile electronic communications network ¹	11.578,00*
Fee for registering a radio station in radio frequency bands: 2400-2483.5 MHz, 5470-5725 MHz, 5725-5875 MHz, 59.4-71 GHz and 71-76/81-86 GHz and CB radio stations in radio frequency band 27 MHz	1.606,00*

1 A radio station in a public mobile and/or fixed electronic communications network is defined by its location, the azimuth of maximum radiation of the transmitting antenna (in the case of a 5G "multibeam" antenna, the physical azimuth is taken), the radio frequency band in which the signal is transmitted/received, the technology used, as well as other parameters.

The fee for changing the technical parameters of a registered radio station in a public mobile and/or fixed electronic communications network, where changing the technical parameters means changing one or more of the following parameters of a registered radio station: antenna azimuth, antenna height, antenna main beam angle, total antenna tilt, antenna gain, power value, shall be 20% of the amount set out in Article 8, paragraph 1 of this Rulebook.

The fee for changing the data of a registered radio station in a public mobile and/or fixed electronic communications network, in the event of a change in the business name of the holder of an individual license issued on the basis of a conducted public tender procedure, at whose request the radio station is registered, shall be 10% of the amount set out in Article 8, paragraph 1 of this Rulebook.

The fee for registering a radio station in a public mobile electronic communications network in the event that there are no changes in technical parameters, after the extension of an individual license for the use of the radio frequency spectrum, issued on the basis of a public tender procedure, shall be 20% of the amount set out in Article 8, paragraph 1 of this Rulebook.

The fee for re-registering a radio station in a public mobile electronic communications network, after the expiration of the period for which an individual license for the use of radio frequencies, or radio frequency spectrum, was issued upon request, in the event that there are no changes in technical parameters, in the period before the expiration of the individual license for the use of the radio frequency spectrum issued on the basis of a public tender procedure, shall be 10% of the amount set out in Article 8, paragraph 1 of this Rulebook.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 9.

The fee for processing requests for changes to the technical and/or geographical parameters of radio stations in the broadcasting service (radio frequency, location, ERP - Effective Radiated Power, antenna system) shall be charged in the amount of 39,452.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 10.

The fee for registration in the register of business entities and issuance of a certificate of registration in the register shall be charged in the amount of 33,064.00* dinars.

The fee for registration in the register of business entities and issuance of a certificate of registration in the register, at the request of a business entity that is already registered in the said register and requests additional registration of a service or network, shall be charged in the amount of 50% of the fee for registration in the register of business entities and issuance of a certificate of registration in the register.

The fee for issuing a certificate of entry in the register of business entities, at the request of a business entity that is already entered in the said register, shall be charged in the amount of 10% of the fee for entry in the register of business entities and issuing a certificate of entry in the register.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 11.

The fee for investigating interference when the cause of the interference is located within an electronic communications network (mobile networks, satellite networks, fixed networks, networks used for the distribution of media content, which include networks for terrestrial radio and television broadcasting and cable television networks, and energy cable systems in the part used for signal transmission), and is a consequence of the actions, or rather actions or inactions, of the person submitting the interference report, shall be charged in the amount of 80,043.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

3. Technical inspection of radio stations

Article 12.

The fee for the technical inspection of radio stations is given in the following table:

Type of radio station		Fee in dinars
1)	Radio broadcasting station	
a)	MF up to 1 kW	20,666.00*
b)	MF over 1 kW	22,437.00*
c)	HF over 1 kW	22,437.00*
d)	VHF up to 1 kW	20,666.00*

e) VHF over 1 kW		22,437.00*
2)	Television broadcasting station	
	a) VHF up to 1 kW	20,666.00*
	b) VHF over 1 kW	22,437.00*
	c) UHF up to 1 kW	20,666.00*
	d) UHF over 1 kW	22,437.00*
3)	Aircraft broadcasting station	
	a) HF	8,266.00*
	b) VHF	5,836.00*
	c) UHF	5,836.00*
4)	Radio navigation broadcasting station	14,171.00*
5)	Radio station in a communication network, other than a public communication network	
	a) base	3,306.00*
	b) fixed	3,306.00*
	c) mobile and handheld	1,806.00*
6)	Radio stations on ships and other vessels and coast radio station	4,127.00*
7)	Base radio station in a public communication network	23,382.00*
8)	Radio station in a radio relay system	23,382.00*
9)	Satellite radio station	23,382.00*
10)	Radiodetermination radio station - radar	40,742.00*

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 13.

For issuing a duplicate of the report on the technical inspection of a radio station, 10% of the amount specified in Article 12 of this Rulebook shall be paid.

4. Compliance assessment

Article 14.

The fee for assessing compliance and issuing a certificate of compliance for radio equipment shall be 20,839.00* dinars.

The amount of the fee for assessing compliance and issuing a certificate of compliance for radio equipment that operates only as a receiver shall be 13,839.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 15.

The fee for issuing an excerpt from the records of issued certificates of compliance shall be 50% of the amount set out in Article 14 of this Rulebook.

Article 16.

The fee for issuing a duplicate Certificate of Compliance/Excerpt from the records of issued certificates of compliance shall be 2,779.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 17.

If the applicant withdraws the request during the initiated procedure, or if the Regulator refuses to issue a Certificate of Compliance, the fee shall be 6,946.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 18.

The fee for issuing a new Certificate of Compliance/Excerpt from the records of issued certificates of compliance, due to changes in data:

- 1) on the applicant (business name, address, data on the person responsible, etc),
- 2) on radio equipment that does not affect the conducted compliance assessment procedure (device names, brand, type/model of device, manufacturer's name, etc),
- 3) in the technical documentation that does not require a re-conduction of the compliance assessment procedure (changes in the Declaration of Compliance and/or technical documentation due to compliance with new version(s) of the applied standards, whose changes do not require the implementation of a new compliance assessment procedure),

shall be 2,779.00* dinars.

*Official Gazette of the Republic of Serbia, No. 77/2025

Article 19.

The fee for issuing a Certificate of Compliance due to changes made to the same type/model of radio equipment that require the new implementation of the compliance

assessment procedure only to the extent of the changes made, shall be 50% of the amount set out in Article 14 of this Rulebook.

5. Final provisions

Article 20.

On the date of entry into force* of this Rulebook, the Rulebook on determining fees for the provision of services within the competence of the Regulatory Agency for Electronic Communications and Postal Services ("Official Gazette of RS", Nos. 34/13, 92/20, 87/21, 112/22 - other regulations and 79/23 - other regulations) shall cease to be valid.
